## SELECT MEN TO LEAVE MONDAY MORNING 29TH

Twenty-Six White Men and  
Twelve Negroes Will Go  
to Camp Taylor

SUPPLEMENTAL CALL IS  
MADE FOR 10 LABORERS

Calloway Will Furnish White  
Men for this Service Be-  
tween May 5-7.

The local board for Calloway county is in receipt of official information from the war department directing that twenty-six white men and twelve negroes be forwarded to Camp Taylor from this county and fixing the time of their departure Monday morning, April 29. The white men are the first increment of the second draft while the twelve negroes go to complete the first draft from this county.

Considerable anxiety has been manifested by men in the eligible class of selects, and until after the names are selected by the board, which will be done sometime within the next week, it will not be fully known just who will be included in the number. The board will act under the orders from the war department received some three weeks ago and will not send men who are "actively, completely and assiduously engaged in the planting and cultivation of a crop." However, the board is not going to apply this rule to fellows who have only recently planted themselves between the plow handles and who are engaged in "sight-ing back" for the sole purpose of temporarily evading service. Thus it can be readily seen that interest in the call will continue until after the names are selected by the board.

Kentucky is called upon to furnish 336 laborers, who will report on May 5 and 7 to the engineers at Fort Benjamin Harrison, Ind. The laborers are to be selected from Class 1 of the white registrants. In this call Calloway will be required to furnish ten men.

In addition a special call has been received from the provost marshal's office for 163 negro laborers and levelers, who will report at the aviation mobilization camp at Fort Wayne, Ind., on May 6 and 7. The quota for Calloway county in answer to this call has not been announced.

U.S. Navy Needs Men.

The Navy Department authorizes enlistment in all branches of the service, absolute maximum, until further orders, in order to get men to man our ships in use and building. Our navy is carrying men, food, etc. across and fighting submarines.

The navy offers education along different lines, and physical development.

Pay is from \$32.60 to \$129.00 per month, not including clothing, board, medical attendance, and this pay does not stop until discharged.

All enlistments are for the duration of the war only. Men of draft age are accepted if they obtain release from their draft board. Age certificates are required for men under draft age.

Age for enlistment is 18 to 35.

If you are thinking of helping Uncle Sam clean up the Kaiser and his followers, it may pay you to call at some of the following recruiting offices and investigate, or just write for any information you care for: Postoffice, Paducah, Owensboro, Ashland, Fayette Bank, Lexington, 21 Kentucky Post Building Covington, 412 South Fourth Street Louisville. Four thousand young Kentuckians have enlisted in this branch the past twelve months, at Louisville. If you know or know of any of these boys you will find that they are well pleased with the branch they selected.

Bull Durham Now Only for Troops.

New York, April 17.—The United States government has taken over the entire output of the "Bull Durham" cigarette tobacco manufactured by the American Tobacco Company at the company's factories at Durham, N. C., and will devote it to the needs of the American troops abroad, it has been announced here. It was stated that the government will pay the same price for the goods as domestic jobbers have been paying.

A Surprise Birthday Dinner

A surprise birthday dinner was tendered Mr. Nace Butterworth Sunday, April 7, at his home on the Murray and Mayfield road. The children and most all of the grandchildren, with a host of other relatives and friends, were in attendance with well filled baskets. Mr. Newt Harris of Mayfield, offered his appreciation by a short talk, and thanks was offered by Mr. Hawk Gupton. Then a great dinner was enjoyed by all. The afternoon was pleasantly spent.

Happy wishes and congratulations were showered upon Mr. Butterworth and the hope expressed that he would be permitted to enjoy many more such occasions. —A Visitor.

## ANN AND SYLVESTER MARTIN SENTENCED TO PEN.

Ann and Sylvester Martin, colored, brothers of Lube Martin now in the Eddville penitentiary awaiting execution for the murder of Guthrie, plead guilty in the circuit here Tuesday of manslaughter and the jury fixed their punishment at confinement in the penitentiary for twentyone years. They were under indictment as being accessories to the murder of Mr. Diuguid. As soon as the jury reached a verdict they were sentenced by Judge Bush and immediately conveyed to prison.

Lube Martin's case is still pending before the Court of Appeals.

Beautiful Woman Poses for Poster.

"The Spirit of Victory Leads," the striking Liberty Bond poster done in colors by Howard Chandler Christy, is the likeness of a beautiful Georgia woman. The modernized spirit of victory bearing an American flag and towering above advancing columns of soldiers is a real person. The name of the woman who posed for the poster is Mrs. Frank Bodgson, formerly Miss Clara Merritt, of Athens, Ga. One million copies of the poster, printed in eight colors, have been issued. Perhaps no American woman's likeness will ever be heralded throughout the world in such a holy cause.

## "His Worst Foe is Behind Him"

The Ledger begs that every subscriber read the very striking advertisement for the Third Liberty loan in this issue. It contains a sermon for every American citizen. Read it over carefully and then close your eyes and see that boy from your neighborhood in the place of the boy in the picture. He is facing death for you. What are you going to do about it? We can tell you. If you possess a single ounce of loyal blood, if you are worth a hooter's damn to your family, your community, your nation, you will buy a bond to help provide that boy with powder and shot and grub. Read it over several times until you thoroughly digest what it means to you.

The drive in Calloway is progressing very nicely, and especially is this so in Hazel, Almo, Jackson, North Brinkley and South Swann precincts. Another meeting of the precinct directors was held here Tuesday and while all members were not present it was a splendid meeting. Another meeting is called for fourth Monday at 2 o'clock either at the court house or the opera house and every Liberty loan worker in the county, men and women, are urged to attend. Chairman Ryan especially wants the school district directors to attend this meeting. Remember you are drafted into this service and it is advisable to give it your attention. You have a part in the biggest affair in the annals of the human race and it must not be neglected. Attend the meeting Monday.

## OBSERVE ANNIVERSARY OF THE BATTLE OF SHILOH

The fifty-sixth anniversary of the battle of Shiloh, one of the most important engagements of the civil war, was observed by the survivors April 6 and 7. The trip to the battlefield was made by steamer from this city, the party returning to St. Louis last Wednesday.

Leaving here on the steamer St. Louis April 2, the first stop was made at Cairo, Ill., where a program was carried out and members of the party were taken on an automobile tour to the national cemetery.

A stop was also made at Fort Henry, the party arriving at Shiloh the morning of the 6th. During their stay they viewed the battlefield and located the positions of the various commands. Camp fires were held each evening, presided over by Commander Geo. W. Washburn, of Ottawa, Kas. Addresses were made by Senior Vice Commander Isaac Yaatis, of Findlay, Ill.; Col. E. T. Lee, of Minneapolis, founder of the Shiloh Battlefield Association, and others.

The address Sunday afternoon was delivered by Rev. J. W. Cummings, of Webb City, Mo. The same day the party left on the return trip. They stopped at Savannah, Tenn., where the old Cherry mansion, in which Gen. Grant had his headquarters, is located. In the same house Gen. C. F. Smith and Gen. W. H. L. Wallace died.

The association was organized April 10, 1893. Present officers are Geo. W. Washburn, Ottawa, Kas., commander; Isaac Yandis, Findlay, Ill., senior vice commander; F. M. French, Chicago, junior vice commander; E. V. Sayers, Ottawa, Kas., adjutant; Rev. J. W. Cummings, Webb City, Mo., chaplain.—Saint Louis Globe-Democrat.

The New Vagrancy Law.

It matters not whether you are worth ten cents or \$10,000, if you are between the ages of 21 and 60, you must labor 36 hours each week during the progress of the war. This law was passed by the Kentucky legislature and became a law last Saturday night, when Governor Stanley affixed his signature to the measure.

The old song of "Everybody Works But Father," may have been true, but now if father is between 21 and 60, he must get a job right away and labor 36 hours each week. The time has passed when he can allow mother and the kids to earn the living while he whines away his time at the corner grocery or some other place where loafers were allowed to loiter.

The old argument made thousands of times while the old vagrant law was in force that "I've got money and don't have to work," does not go any more. Under the old law if a man had visible means of support, he could not be convicted of being a vagrant. But all this has been changed by the state legislators. Financial condition of the man now has no bearing on the question. If he is between the ages fixed by law, he must go to work or go to jail for a period of sixty days, to be worked out on the streets and roads.

Women's Liberty Loan Committee

The Woman's Liberty Loan Committee for Calloway county has perfected its organization with Mrs. O. J. Jennings, chairman; Murray, Mesdames Nat Ryan, C. C. McClarin, Vernon Hale, C. H. Bradley, J. D. Sexton, C. H. Redden, J. D. Rowlett, Misses Mary Diuguid, Marian and Frankie Dale, Mabelle Schroeder, Hazel, Mrs. Rafe T. Jones; Almo, Mrs. Sam Stevenson; Dexter, Miss Mildred Clayton; North Liberty, Mrs. L. D. Hale; Southeast Murray, Miss Pearl Miller; Northwest Murray, Mrs. Cora Boyd; Jackson, Mrs. Clara Trevathan; Southwest Murray, Mrs. Ed Farmer; Fair, Miss Zennie Haley; South Swan, Mrs. A. G. Windsor.

Exempted Farmers Must Stay on Farms

Unless farmers subject to the draft continue at their agricultural pursuits after being given deferred classification they will be reported and inducted into military service, according to instructions issued by William H. Yost, chairman of the District Exemption Board at Madisonville, Ky. Young men engaged in farming have been placed in the deferred classification for the purpose of not interfering with the production of crops and they are expected to continue in their farm work. Otherwise they will be called into the service.

TOBACCO DELIVERIES HEAVY  
AND PRICES AGAIN NORMAL.

This has been one of the busiest weeks in some time on the local tobacco market and several hundred loads of the weed have been delivered. Street sales ranged high, leaf bringing \$16.75. Farmers are anxious to make deliveries and with a good season hundreds of thousands of pounds of the weed will be moved to market.

Quite a number of cases of smallpox have been reported in the Browns Grove section of the county the past two weeks. County Health Officer Hart has taken charge of the situation and has all cases under quarantine and expects to stamp out the disease in a reasonable length of time.

## CALL FOR 50,000 ADDITIONAL MEN ISSUED MONDAY

Washington, April 15.—Another draft call for 49,843 registrants has been sent to governors of states by Provost Marshal General Crowder. Mobilization of the men is ordered for May 1 and 10, the war department announced and they will be sent to eleven forts and recruiting barracks, probably for training with regular army units there.

This call increases to more than 300,000 the number of select men ordered to camp since late in March. This is far in excess of the monthly average that would have been mobilized under the original plan to call 800,000 men this year over a nine month period. Future calls at the same rate would complete the programme before midsummer.

Under President Wilson's determination to hasten the dispatch of American troops to France to reinforce the British and French armies bearing the brunt of the great German drive in Flanders and Picardy, the whole program of the army is speeding up. Only a week ago Gen. Crowder ordered mobilization of 150,000 select men for April 26, and their movement to the national army cantonments during the five days following.

Further announcements are expected to follow the return of Secretary Baker from his visit to the battle fronts and conference with officials of Great Britain, France and Italy. Troops now are moving to Europe at a rapid rate and this clearing of training camps will permit of the calling of the men much faster than was contemplated before the German offensive made it imperative to rush men to the battle fronts.

Although every state and the District of Columbia are called upon to furnish men under Gen. Crowder's latest order, nearly half of the 49,843 men will come from seven states. Kentucky will furnish 1,326 of the total.

Calloway will not be required to furnish any men under this call, the entire quota will come from Eastern and Central Kentucky counties.

## BAN ON POULTRY TO BE LIFTED AFTER APRIL 19

U. S. Food Administration rule No. 14, covering poultry dealers, which prohibited "licensees between February 11 and April 30, 1918, purchasing, shipping, selling or negotiating the sale of any live or freshly killed hens or pullets" has today been amended to end at midnight April 19, 1918.

This means of course, that after midnight of April 19th those engaged in the poultry business can begin negotiating the purchase and sale of hens and pullets, but not before, and can only ship after that time.

Washington, D. C., April 17.—"A rush of too many fowls to market as soon as the restriction against selling laying hens is removed may result in food losses," says the United States Department of Agriculture. "Think twice before selling a hen that is still laying. Green food is becoming more plentiful and the demand for eggs continues. Universal marketing of fowls may react on prices as well as cause spoilage of dressed poultry."

## THOUSANDS WILL SOON BE ADDED TO CAMP'S ROLL

Camp Taylor, Ky., April 16.—News dispatches this morning from Washington say that nearly 10,000 men of the second draft will be ordered to report at Camp Zachary Taylor, beginning April 26 and extending through May 1. Of these something like 3,000 come from Kentucky and the rest from Illinois and Indiana. The camp gets 1,600 negroes in the second draft call, of whom a little over five hundred come from Kentucky.

Preparations are proceeding swiftly for handling this large number of men. This increment is the largest that has been ordered to report to the camp since last fall. The men will be sent into a quarantine camp at first, where they will stay two weeks under quarantine. In the meantime they will receive all of the first things a soldier gets when he starts in the army—namely, three inoculations and vaccination, besides being examined by half a dozen different medical boards.

Indications are that, despite the constant transferring of men from the camp, its population will take a good jump upward the next thirty days. Its population at this time is the lowest it has been since the military city opened.

Many of the men who reported in camp during the last two months have been sent away. The majority of them are still in training, especially the last increment of 4,600 who came in last month. To see the marked improvement of these men as soldiers the last two weeks speaks well for their officers and the system of training and instruction that is in effect in the Depot brigade. The big drill field on the Preston road is now the mecca of hundreds of automobiles every afternoon at 5:15 o'clock, when retreat is sounded. Five thousand soldiers can be seen paying their daily tribute to the Stars and Stripes and two bands are there to help.

Major Gen. Harry C. Hale held a long conference with workers of the Y. M. C. A. War Recreation Board, Y. M. H. A., K. of C., Hostess House and Camp Recreation officers yesterday afternoon regarding the moral and recreational benefits of the soldiers.

The chief feature of the general's talk was that he expected these men to help make the soldiers here all desire to leave the camp of the Lincoln Division and be content to make it their home all the time.

The various representatives discussed what efforts had been made toward uplifting the morals of the men. It was decided to break up "spoony" in the camp. Incidents were related where soldiers had been seen courting in a demonstrative manner on the public roads and other places in the camp.

During the conference General Hale spoke highly of the Salvation Army in its work near the camp. The General said that he had investigated the rooms in the Salvation Army hotel at Coke's station, just outside the camp, and had found the prices incredibly small and the rooms comfortable. He spoke of the advantage to the soldiers of having their families visit them so near the camp.

Dr. B. F. Berry was in Louisville last week taking a postgraduate course in dentistry. He returned home Monday morning.

## To Be Given Away Absolutely Free This New Country Club Overland

**T**HERE IS NO TRICK OR GAMBLE. It is a clean, open, above board proposition. No favors can be shown. We intend to give a 90 Country Club Overland Car away. YES, GIVE IT AWAY. Here is the simple plan: With each casing or storage battery purchased from an Overland agency at any of our distributing points in Western Kentucky we give the purchaser a ticket. A duplicate ticket is retained by the dealer. When 900 casings and batteries are sold by all agencies combined a drawing will be held at the office of the Murray agency, and the person holding the duplicate of the first number drawn will be presented the 90 Country Club Overland. Makes no difference where you live, makes no difference from which one of our agencies you buy a casing or battery you are entitled to a chance. We give you a chance to get this Overland FREE, and

### ORDER OF ELECTION.

A call term of Calloway County Fiscal Court held March 15, 1918, met on Friday morning at Court House, Murray, Ky., pursuant to adjournment. Presiding, E. P. Phillips, judge, together with W. N. Beale, J. F. Thurmond, A. J. Burkeen, G. M. Potts, J. T. Glasgow, Eugene Woodall and T. M. Fisher, magistrates. Motion made by Eugene Woodall, seconded by A. J. Burkeen that, a special election be held on May 11, 1918, for the purpose of submitting to the voters of Calloway county a proposition of voting a tax in the sum of 20 cents on the \$100.00 on all property subject by law to local taxation under section 157 of the constitution for the improvement and construction of the public roads and bridges of the county, either one or both as the court may direct for a period not exceeding ten years and that no amount of money in excess of the amount that can be raised by the levy in

any one year shall be expended in that year.

The vote being taken and all members of the court voting in favor of said motion the motion prevailed.

It is therefore ordered by the court that J. D. Houston, sheriff of Calloway county, hold an election at the several precincts in said county on Saturday, May 11, 1918, and said sheriff is hereby ordered and directed to advertise the time and purpose of the election and the amount of tax to be levied each year in all the newspapers published in this county for 30 days before the election.

Ballots shall be printed as provided for in the general election laws, section 1459 Kentucky statutes on said ballots shall be submitted the question:

"Are you for a property tax of 20 cents on each one hundred dollars worth of property in the county, to be levied each year for not exceeding 10 years, for the purpose of improving or constructing, either or both the roads and bridges of the county?"

All legal voters in Calloway county shall be qualified and allowed to vote in said election and no amount of money in excess of the amount that can be raised by the levy in any one year shall be expended in that year.

It is further ordered by the court that in the event said tax shall be voted, then a sum equal to the amount of tax so collected from each magisterial district shall be expended on the roads and bridges of that magisterial district for each year so collected.

R. M. PHILLIPS,

Clerk.

By L. A. L. Langster, D. C.

By virtue of an order of the Calloway Fiscal Court issued to me at a call session held March 5, 1918, directing me to call an election for the purpose of submitting to the voters of Calloway county the question whether or not they are for a property tax not to exceed twenty cents on

each one hundred dollars worth of property in the county subject to local taxation, to be levied each year, not exceeding ten years, for the purpose of improving or constructing, either or both, the roads and bridges of the county.

Notice is hereby given to the legal voters of Calloway county that on Saturday, the 11th day of May, 1918, between the hours of 6:00 a. m. and 4:00 p. m., an election will be held at the various precincts and voting places in said county, at which the following question will be submitted to be voted on:

Are you for a property tax of twenty cents on each one hundred dollars worth of property in the county to be levied each year for ten years for the purpose of improving or constructing, either or both, the roads and bridges of the county.

Given under my hand as sheriff of Calloway county, Kentucky, this 26th day of March, 1918.

J. D. Houston, Sheriff County.

## LET THEM KEEP THEIR MOUTHS SHUT

Down with pro-German propaganda and the pro-German propagandists.

In our overweening good nature we have tolerated too long the spies, the seditionaries and the traitors who do not subscribe to our aims; and who seek to cast obstructions into the cogs of our war machinery.

Some well-intentioned persons do as much damage to the country as do the paid minions of Germany or the so-called Americans who have lost the last trace of Americanism in the filthy sloughs of treason and sedition, or in the rarefied atmosphere of idiosyncrasy called pacifism. It is easy for patriots to avoid the springs set for the woodcocks of indiscretion and gossip and palaver by the unwearied hand of the Hun trapper. Let everybody cease chattering over battle results and bend with redoubled energy to the works that help win the war.

Without beating the Devil about the bush: Let them keep their mouths shut.

Moreover, let all patriots compel the Doubting Thomases and the hypocritical "Americans" to keep their mouths shut. Too much latitude is given by the law of the land to those who speak small of our country. But the law, no matter how feeble it is, does not suggest that patriots must hearken to the droppings of the creatures who are either too cowardly or too little loyal to lean in thorough confidence upon their country and its gallant allies. No man should lend his ear to the ignoble whisperings of either class.

We hear the complaint that it is not always known who is loyal and who is not. Then let The Times expound. The so-called American citizen who goes about saying that the Allies are to lose the battle now in progress, is disloyal. The so-called American citizen who regards the sacrifices of the English and French armies upon that blazing sector with the slightest trace of levity, is disloyal. The so-called American citizen who does not grieve over the losses of those brave English boys who are supporting the most fiendish attack possible for the hellish Hun to devise, is disloyal. The so-called American citizen whose heart is not filled with a prayer for the complete success of our noble allies, is disloyal. The so-called American citizen who lets any former consideration of race or creed impair his confidence in and his hope for the gallant British and French in the slightest degree, is foully disloyal.

The hope of civilization is indissolubly bound in the capacity for winning of those brave men fighting so resolutely the proponents of murder and rapine. How then can any distinction of loyalty be drawn between our own soldiers and those of our allies? It cannot be done. There can be no divided service between God and Mammon. It is believed that all the people can understand these things.

Let the people, then take their minds off rumor and gossip and scandal. In our light-minded manner of living we have so far carried on the detested propaganda of the Hun, saving him vast trouble and expense. This will not do. Hereafter we must rule our own tongues to the end that we may rule those of the men and women who mean us ill.—Louisville Times.

## ARE THEY TO BE PERMITTED TO STAY?

(By Robert W. Chambers of The Vigilantes.)

In the various internment camps in the United States are many Germans, nominally prisoners, actually pensioners of the Republic, well fed, well lodged, well treated.

These Germans owed everything to the kindly welcome extended to them by the Republic when they first set foot here. Our laws had protected them, our government had asked nothing of them except that they behave decently; all opportunities for their betterment and prosperity were open to them.

These are the people who in her hour of need turned against the land that welcomed them. These are the people who proved disloyal, treacherous, murderous—these sleek, idle, well-housed, well-fed rats known commonly as alien enemies.

What is to be done with them at the end of the war? Are they to be liberated and permitted once more to resume residence and occupation among us here in the land which they betrayed and which they would gladly have done to death?

Remember what the word "German" stands for today in the civilized world.

Remember that these creatures termed "enemy aliens," and now fattening in idleness in our detention camps, are exactly that same breed of vermin that trampled Belgium into a bloody wallow, that spared neither age nor sex, that outraged little girls, that disemboweled children, that bombed hospitals, torpedoed hospitals, torpedoed hospital ships, murdered Red Cross nurses.

Don't forget what this loathsome word "German" now means. It means a government—applauded by its swinish people—that had a million Armenians over to the Turk to be butchered—all ages, both sexes. It means the people who struck medals to celebrate the death of women and children on the Lusitania. It means a people who began this war with a lie and who have lied ever since—a people now so degenerate, so brutalized, that only the vile blasphemy of the "Black Mass" can compare to the living blasphemy of which their war lord and the hordes he leads are the never-to-be-forgotten symbols.

Are the interned Germans of this identical breed to be permitted to remain in this country after the war?

## KENTUCKY WILLS TO WIN THE WAR

PEOPLE DISPLAY THE RIGHT SPIRIT TO HELP BOYS AT FRONT.

### ARE WILLING TO SAVE WHEAT

Food Administrator Delighted With Splendid Enthusiasm of Blue-Grass State To Give Up Men, Money and Food For Liberty's Cause.

—Louisville, Ky.

Telling blows against the Germans are being struck by the Food Army of Kentucky—the army which includes all the farmers of the country, all the city people who are raising war gardens, and all the people in both city and country who sit down to three square meals a day. All parts of the state are represented in the army raised by the Food Administration and which, under the banner reading "Food Will Win the War" is conducting the big Spring Offensive against waste at home and hunger and want in the ranks of the Allied soldiers and their dependents.

Federal Food Administrator F. M. Sackett is pleased at the work being done. Kentucky is a hard state to reach, but it can be reached, and it has been reached. Mr. Hoover's admonition, "Food Will Win the War," is being heeded, and President Wilson's injunction to "enlist in the service of the Food Administration" is being followed unreservedly.

Every county in the state has a Food Administrator. Any mill, any merchant, any farmer, any consumer troubled by a vexing technical regulation can get his troubles removed, or settled, by going to the nearest county food administrator. And the administrators without exception report a willingness to cooperate which is met everywhere.

"If wheat is needed, wheat will be raised in my county, even though a financial loss is entailed," is the way one administrator put it in conversation recently. "Then if it is necessary the people who raise it will sell it all, so our soldiers and their associates in arms can get it, and themselves eat cornbread all the year."

Something of that same spirit has been manifested both by producers and consumers everywhere in Kentucky. Mr. Sackett was not at all surprised at the response with which the latest wheat-saving regulation was promulgated, for this very reason. The latest regulation says no person must eat more than six pounds of wheat a month, which is one and one-half pounds a week.

"And that means six pounds of all kinds of wheat products, too," one administrator explained. "It doesn't mean six pounds of bread, and then a lot of macaroni and apples and crackers, too. It means six pounds of wheat products per person per month."

Soldiers and their families must have bread. Wheat is the only bread-making product which can be sent to Europe now. Corn would germinate during the long journey. American and Allied soldiers everywhere wash and eat without fail, hence the Food Administration has asked the people of Kentucky to limit themselves to six pounds of wheat flour per month.

Continue Wheatless Days. Federal Food Administrator F. M. Sackett advises the continuance of wheatless days. "Continued observance of wheatless days and meals will aid in keeping consumption down," Mr. Sackett said. "People are offered the alternative of saving wheat by going without entirely on certain days and meals, or by using less at all times, but I would recommend both. Saving wheat is a military necessity and individual consumption must be held to six pounds a month if we are to win the war."

"Potato Week" has been highly successful. Merchants everywhere have sold the sale of potatoes and it is believed potatoes were found on the dining table at every meal in a majority of homes. Mr. John W. Burns, of the Food Administration office in Louisville, who has had years of experience in the milling business, estimates that the people of Kentucky have saved 10,000 barrels of flour by eating potatoes during "Potato Week."

No Soldiers Needed Here.

The announcement comes from Washington that the appeal to farmers of the whole United States to be patriotic and bring all their wheat to market has met with an unsatisfactory response in some sections of the country that has been rather distressing. If the Washington announcement had been put in plainer words, it would read: "Some American farmers are not patriotic. They think more of getting a little extra money for their wheat than they do of the American and associate soldiers who need bread so badly."

But Washington has sent out another announcement. It is that unless the farmers market their wheat by May 1 the government will seize it.

Kentucky farmers, and not understanding why such drastic action should be necessary, Kentucky farmers, realize that a farmer who holds on to his wheat when the army needs it, trying to extort more money in payment, is just as heinous as the man who refuses to give a soldier a crumb of wheat.

## MARKETS NEEDED BY THE FARMERS

Presence of Thriving Cities Near By, Important to Residents of Country.

### MERCHANTS DO THEIR PART

Town and Rural Community Are Dependent Upon Each Other—Cooperation Alone Brings Prosperity to Both.

(Copyright.)

Residents of towns and cities everywhere are beginning to realize more acutely the fact that, except under very unusual conditions, their communities will prosper and develop only in proportion to the prosperity and development that comes to the farming sections, which surround them. Realizing this fact, commercial clubs and chambers of commerce have in recent years been devoting as much of their attention to developing the country districts as they have to securing new industries and attracting new residents. They know that as the country about the towns becomes more thickly settled and as the farmers become more prosperous the more money will be spent in the towns and the faster these towns will grow. It is largely for this reason that the residents of the towns and cities have been doing more and more to aid the farmers in growing bigger crops and in improving marketing conditions. The towns and cities have contributed more and more liberally toward the building of good roads in the country districts and have paid a large part of the expense of maintaining agricultural experts to assist the farmers in growing bigger crops and getting more money out of their crops when they are placed on the market.

Not One-Sided Proposition.

But this is not a one-sided proposition. If the city is dependent upon the country, so is the country dependent upon the city. What the farmer raises is worth absolutely nothing to him unless he can sell it at a price that will pay him a fair return on the money and time invested in its production. The farmer, without markets, would be in the same fix as a storekeeper without customers. In almost every case the farmer is dependent upon the nearby town or city for a market for at least his perishable products.

In the language of the street, it is a fifty-fifty proposition. The town needs the country and the country needs the town. The farmer needs the assistance of the storekeepers of the town in securing a market for his products. He needs the assistance of the storekeepers of the town in getting good roads over which he may haul his products without losing more time than the products are worth. He often needs the assistance of the storekeepers in helping him over a period of financial stringency.

Storekeeper Needs Farmer's Trade.

On the other hand the storekeeper needs the business of the farmer. He does not ask the farmer to sell him his products on credit even though at the time he may be hard pushed for cash and may need more credit badly. He does not ask the farmer to help him build a sidewalk in front of his store. He does not ask for the business of the farmer provided that he can sell the farmer the goods he needs at as low a price as he can secure them for elsewhere.

But does he always get the farmer's business? Ask the mail order man in the big city or ask the postmaster or the express agent in any town or city in the country. They could, if they would, tell of thousands of dollars sent away to the big cities to pay for goods that could be purchased just as cheaply and much more conveniently in the nearest town or city. These thousands of dollars, when sent to the mail order houses in the big cities, never come back. They do not help to build good roads past the farmers' houses. When the next crops are harvested, the mail order man won't buy any of the farmer's products. The potatoes, the tomatoes, the melons and other things that the farmer raises may lie and rot upon the ground so far as the mail order man is concerned.

No Credit From Mail Order Man.

The mail order man won't sell the farmer 2 cents' worth of goods on one day's credit no matter how badly the farmer may need the goods or how little ready cash he has to pay for them. If the farmer's house burns down, the mail order man is not going to sell him any lumber on credit so that he may build another home. He will take what cash he can get the farmer to send him and there his interest in the farmer ends. If the farmer has no money to pay for what he needs, the mail order man will find others to help swell the stream of dollars which is building up his great fortune and helping build up the great city in which he lives. Let the home merchant help the farmer when he needs it. And the local merchant does help the farmer as long as he can, but there comes a time when he cannot. He cannot make money without customers. Without the legitimate profit that he makes from his sales he cannot "survive" the farmer over the rough spots. He cannot contribute to the good roads funds he cannot pay the farmer cash for his products.

Road Notice  
All parties interested are hereby notified that a petition has been filed in the Calloway County Court, signed by Perry Allbritton, T. F. Marr, H. H. King, J. B. Allbritton, T. W. Patterson, R. L. Osborn and others, asking said court to re-locate and establish that portion of the "Mouth of Sandy" road lying between the mouth of the Mt. Carmel lane and T. F. Marr's place, a distance of about one-half mile.

Said petition is to be heard on Monday, April 22, 1918, the regular term of the said Calloway County Court.

Given under my hand as justice of the peace of Calloway County, Ky., this the 9th day of April, 1918. J. F. Thurman.

# THE MURRAY LEDGER

O. J. JENNINGS, EDITOR.

Entered at the postoffice at Murray, Kentucky, for transmission through the mails as second class matter.

THURSDAY, APRIL 15, 1918

Next Monday is fourth Monday and again the Ledger calls attention to the fact that hundreds of its subscribers are yet due on subscription. We are hanging on at the old price of \$1 by the "skin of our teeth," and we again insist that these accounts be paid. It is not our purpose to worry you, but unless you see fit to pay us willing then we will be forced to other measures. Don't put it off another day, but come in next Monday.

The Ledger wants to try its luck just once on a little prayer, and while you stand please give attention, and then if you endorse the prayer you can announce the fact in the usual affirmative manner by saying the word "Amen" loud enough to be heard at the polls. So here it comes: "Two trustees of the Murray public school are to be elected the first Saturday in May, and, O, Lord, we do most humbly ask that you put it into the heads of the folks to vote for men, or women if they will fill the bill better, who will not be possessed of the desire to elect the whole Damm family teachers in the school." There it is. Let it soak in; the deeper it goes the better it will feel.

## Barber Shop Prices on and After 20th

We beg to announce that owing to the increased cost of all material used in our shops we find that it is necessary to increase the prices for our work, and on and after Saturday, April 20, the following prices will be charged for work: Hair cut, 35c; shampoo, 25c; massage, 35c; tonics, 20c and 25c; shave, 15c; shine, 10c.—Adams & Walker, J. E. Jeffrey.

Rev. W. M. Wood, pastor of the First Baptist church, left this morning for Amorilla, Tex., where he will preach a sermon for the First Baptist church, the church that recently extended him a call without his knowledge or consent and which he declined. The departure of Rev. Wood is a surprise to many people in Mayfield, but it is not believed that he will accept the Texas call. He is expected to return the latter part of the week.—Mayfield Times.

Tom Sawyer suits and Mary Newton dresses save time and money; they are pre-shrunk and fast colors; high class and not high priced. \$1.52 worth more. Hale's Ready-to-Wear Department.

## Stop Lively! Corns Quit with "Gets-It"

The Great Corn-Loosener of the Age. Never Fails! Painless.

Watch my step! What's the use of going along "right side corn without care," even with corns, because I use "Gets-It," the painless, off-like-a-banana-peel corn remover. I tried other ways galore, until I was blue.

Corns Simply Don't Stop Us, We Use "Gets-It" in the face and end in the toes. No more for me. Use "Gets-It." It never fails. Touch any corn or callus with two drops of "Gets-It" and "Gets-It" does the rest. It's a relief to be able to stop cutting corns, making them bleed, wrapping them up like packages and using sticky tape and salves. It removes any corn clear and clean, leaving the toe as smooth as your palm. You can wear those new shoes without pain, dance and be frisky on your feet. It's great! "Gets-It" is the "CHARM" money, because it removes the only sure way, never has a side effect and is sold by M. D. B. Lawrence & Co., Chicago, Ill. Sold in Murray and all other cities as the standard corn remedy. Buy it at P. W. Wear and Sons & Son in Mayfield.

## Enroute to the Trenches

We are informed by Dr. Bob C. Overby of this place that his brother, Kelley Overby, has arrived safely in France, and is ready to help defeat the Huns.—La Center Advance.

K. C. Turner, chief cook 7th Co., 2nd Battalion, Depot brigade, Camp Taylor, was in the county last week on a short furlough visiting his parents, E. M. Turner and wife, near Coldwater. Carl is making a fine soldier-cook and is enjoying the service.

Dr. J. A. Outland, of Pottertown, has received notice from the war department to hold himself in readiness to report for service within fifteen days. Dr. Outland took the examination for the M. O. R. C. some several months ago and has been anticipating the order.

Sergeant John Reid, hospital corps, Camp Grant, Ill., brother of Mrs. Colie Pool of this city, spent the past ten days here visiting with his sister. This is his first visit to the old home in sixteen years. Sergt. Reid has served two enlistments in the regular army and when war was declared he was making his home in Salt Lake City, Utah, where he was connected with the city health department. A hospital unit was organized and he volunteered, and when mustered into service his command was ordered to Camp Grant. Sergt. Reid is well known here and old friends were glad to greet him. He is in splendid health and is a fine looking soldier.

All the negro soldiers at Camp Taylor and at every other cantonment in the country are to be sent to France early in May. At present there are nearly 1,000 of them at the Camp Taylor.

The Ledger is in receipt of the following card from A. P. Oliver: "Please change my paper from 2nd Co. to Battery E, 58th Reg., Ft. Howard, Md. All of the battery is together and we are expecting to go abroad at an early date. I am getting anxious to see active service."

Rupert Hendon, assigned to officers headquarters at Camp Taylor, was in the county the past week visiting his wife and parents, W. C. Hendon and wife, near Stones school house.

Warren Brooks, son of Rev. H. W. Brooks, pastor of the Methodist church, arrived home last Saturday from Chicago where he has been a student in Moody Institute. The young man is among the number of selectees from which 26 men will be chosen to leave here between April 26 and May 1 for Camp Taylor and came in in advance of the time to spend a few days with home folks before leaving for the army. Mr. Brooks is studying for the ministry but refused to claim exemptions on this account. In other words he is not full of "yaller," and recognizes that civilization and Christianity are being assailed in this present great struggle, and at the front is the place for men who would have these preserved for humanity. Mr. Brooks will deliver his first sermon at the Methodist church Sunday night.

Charlie Moore, Walton Harris, this city; Ira Creekmur, Kirksey, and Lamar Hendon, Cherry, left last Saturday night for Indianapolis, Ind., under orders

from the war department where they will be assigned to a mechanical training school. The boys were selected from Class 1-A, four being the number of men ordered from this county for this special branch of the service. The young men are well known and have hundreds of friends at home with faith in their ability and courage.

Hugh Gingles, Camp Taylor, was in the county this week on a short furlough and was the guest of his parents at Kirksey. Hugh informs us that his brother, Lieut. H. W. Gingles, M. R. C., who has been stationed at Washington Barracks, Washington, D. C., had been discharged from the service on account of his physical condition. He has gone to Hyden, Ky., to resume the practice of medicine.

Chas. Stewart, hospital corps, brother of Mrs. J. Robertson, of Hazel, is in France, having arrived there some several weeks ago. The casualty list published in the Courier-Journal last Monday contained the name of Charlie Stewart in the list of killed, but in conversation with the Ledger office today Mr. Robertson stated that no information confirming the report had been received by Mrs. Robertson and that they felt confident it was not Charlie Stewart, formerly of this county. He enlisted in the service at Nashville, Tenn.

The Paducah Sun of Wednesday says that Ivy Lyons, of the east side of this county, enlisted in the navy there as an apprentice seaman. Lyons is well known on the east side and he will make a good man in the service.

Bob Canada, of the east side of the county, left Thursday morning for Camp Shelby, Miss., in response to a telegram notifying him of the serious illness of his son, Shelton Canada, of the 113th Ammunition Train. The telegram did not state the nature of his illness but was to the effect that he was very low.

Virgil R. Lassiter, of the west side of the county, was accepted for services in the navy at Paducah the past week and was sent to Louisville for final examination. He is a well known young man of that part of the county and has many friends.

## Browns Grove.

Tobacco plants are scarce in this section.

Yes, we have the smallpox in Browns Grove, and a number of real bad cases. Nearly everybody is being vaccinated.

Mrs. Will Lamb, one of our most prominent ladies, is suffering of a chronic case of rheumatism.

The county health officer is to be in this community again today to vaccinate some more of our neighbors.

Mr. Billie Mayfield is still very ill and feeble.

Mr. Race Jones has sold his home place and will build on a place which he owns near the Graves county line.

Our school district has bought \$3,000 worth of Liberty bonds and will take more if necessary.

Little Garland Hunter is on the sick list.

Mr. Tom Darnall is laid up with a bad cold and cough.

Mr. James Jordan has sold his store at this place and gone to Farmington to accept a position as cashier of the bank there.

The town was made for residents.

Gold was made for the miser. God made Wilson for president. But who'll make the Kaiser?

# A Roof for Every Building

## Made to Best Protect That Character of Building

Never in the history of the roofing business has quality in roofing been so important as now. At present prices no man can afford to buy carelessly, or be indifferent as to results. Nor can any man afford to put off roofing that is necessary.

The roof to buy is that which best protects and lasts the longest. Any other kind is wasteful.

The McHenry-Millhouse business has been built upon the sound principle that a roof best serves its purpose when made in a particular way for a particular building.

To that end it has studied buildings, the kind of roof they need and require and made a special product for each.

It is this specializing that assures you the most of durability in any McHenry-Millhouse product you buy.

Tell us the kind of building you have to protect and we will see that you get the right kind of roofing for this character of building.

Asphalt and Rubber Roofing, Asphalt Shingles, Asphalt Four in One Shingles. Anything else in Lumber, Brick, etc.

Let us show you. We have the goods at the right price.

Yours truly,

## HOUSE ADOPTS DRAFT MEASURE BY LARGE VOTE

Washington, April 13.—The senate resolution embodying the war department plan to put the draft quota basis on the number of men in class one instead of on state population was adopted by the house today by a vote of 325 to 3.

Representatives Gordon, Ohio, and Huddleston and Burnett, Alabama, voted against it.

An amendment by Representative Shallenberger, of Nebraska, to base the quota on the total draft registration and liability to military service was voted down yesterday. Another amendment by the Nebraska member directing that credit be given for volunteers was adopted.

Before final action was taken Representative Harrison, of Virginia, withdrew his amendment providing for the exemption of farm labor.

The proposal to shift the basis for computing the quota arose from inequalities developed under the first draft. The chief injustice found was in communities where there are large alien populations not subject to draft.

Under the new classification system all men, immediately eli-

gible for service would be placed in class one. It has been stated that the men in the deferred classes will not be called except under the gravest emergency.

Mrs. N. B. Porter, of Springfield, went to Murray Monday to visit her daughter, Mrs. S. F. Holcomb, for six weeks. — Paris Parisian.

Mrs. W. H. Briggs, of Jackson, Tenn., was in the city the past week the guest of her brother, Joe T. Parker, and sister, Miss Ruth Parker.

"Dearie Dresses," the daintiest materials, new models, sizes 3 to 6, attractively priced, \$1.25 to \$3.50, worth \$2 to \$5. — Hale's Ready-to-Wear Department.

This is clean up week and if the same energy and enthusiasm is put into the work that was put into the parade by willing workers over the city Tuesday morning the old town will be as handsome and as pretty and as clean as labor can make it by Saturday night.

The grand jury for the present term of court finished its labors last Monday and was discharged. The docket was completed by Thursday afternoon and the petit jury was excused until Tuesday at which time the suit of the stockholders of the defunct Citizens Bank against the directors of the same institution will be called for trial. Quite a number of cases have been heard during the present term and Judge Bush will be able to leave here at the adjournment of the present term with a clean docket.

Mr. and Mrs. Julian Atwood, of Cedar, were in the city this week the guests of G. C. Wadlington and wife.

Tolbert Oliver was called to Frankfort last week on account of illness of his brother, Taylor Oliver, who underwent an operation for appendicitis.

Mrs. John Clopton left the past week to join her husband in Kansas. Mr. Clopton is traveling for the Old Kentucky Manufacturing Co., of Paducah.

Mrs. Mattie Miller has returned to Murray from Hyattsville, Md., where she has been making her home with her daughter, Mrs. Hontas Sturgis, the past several months.

Those coats you have been waiting for have arrived, and they are priced close, \$22.50 values at \$19.50. We have your size. See them now; they are in demand. — Hale's Ready-to-Wear Department.

R. W. Newport, of Paducah, was in the county the past week the guest of relatives on the north side. He is recovering from injuries sustained in falling when he jumped from a buggy to which a runaway horse was hitched.

Miss Lydia Hafford, in charge of surgical dressings for the Red Cross, will send one of her assistants to Murray Monday, April 22, to instruct members of the local chapter in making surgical dressings. She will remain here for one week and will give lessons each morning and afternoon at the Red Cross work room in the court house. All members, especially ladies of the country who desire to assist in this very important labor, are urged to attend.

Miss Eunice Oury left the first of the week for Truman, Ark., where she will put on a play for the Red Cross chapter.

The second quarterly conference for the West Murray circuit will be held with the Lynn Grove church April 27 and 28.

You know Sunshine suits, we have only a few, save \$5 on one this week (and buy a Thrift Stamp); sizes 36 to 47 1/2. — Hale's Ready-to-Wear Department.

Will Bynum left Wednesday night for St. Cloud, Minn., in response to a telegram announcing the serious illness of his son, Lon Bynum, who is ill of pneumonia.

The trustees of the city school will meet Friday night of this week for the purpose of electing teachers for next year. The meeting was adjourned from Tuesday night of this week.

Corn. — I have about 40 barrels good corn for sale, also can furnish good pasture for calves and colts. See John H. Turner, Farmington, Rt. 2.

L. L. Dick, near this city, and Bert Moore, near Hazel, were members of the Federal grand jury in Paducah this week, and S. S. Redden, Dexter, and W. T. Walker, Blood, on the petit jury.

R. W. Thompson, contracting agent for Sun Brothers' Shows, is in town this week placing contracts with the local merchants for supplies to be used by the show on its exhibition date here which is Tuesday, May 7.

E. E. Bourland, of Chattanooga, Tenn., spent the week in the city with his family. Mr. Bourland has a position with Vojt Bros., the largest drug firm of Chattanooga and has been there since the first of last December.

Newsome Keys is nursing a badly mashed finger. While fencing on his farm near Alto last week Jim Calhoun was up in a wagon doing the driving while Mr. Keys was setting and holding the posts. Calhoun made one more stroke with the hammer than Mr. Keys was expecting and as a result a finger was almost mashed off.

Miss Annie Burns Wear, daughter of J. V. Wear, editor of the Advance, La Center, Ky., arrived here Tuesday to become a teacher in the county high school to take the place made vacant by the resignation of Miss Lora Forwood. Miss Wear came highly recommended and resumed charge of her classes Wednesday morning. — Smithland Banner.

Ryan, Broach & Tinsley, the real estate dealers, are now occupying commodious new quarters in the Ryan building over Jones Bros.' clothing store. The change of offices was necessitated on account of the demand for additional room. The public is invited to visit the new offices of this firm and to make it headquarters when in town. Read their invitation to the public in their advertisement this week.

A real estate sale that is going to attract much attention is advertised in this issue of the Ledger, and attention is directed to same appearing on the eighth page of this issue. The Schroeder farm is to be divided into small tracts of twenty acres each and sold to the highest bidder. This property is very desirable and any person wanting a small farm close to town will not let this opportunity pass to secure one. Ryan, Broach & Tinsley are handling the deal.

Jim Clayton has been appointed rural route carrier for route three out of Murray and will make his initial trip next Monday. Mr. Starks, who has been the carrier on this route for some time, goes to route seven and Rudy Smith goes from seven to four. Mrs. Smith has been the supply carrier on route four for some time. Mr. Clayton is the only new man. He has been with Graham & Miller for three months and previous to that time was with Beale & Son for some time.

## Mortuary

Mrs. Lottie Byrn, wife of ex-jailer R. R. Byrn, died at 9 o'clock Friday morning at her home two and a half miles southwest of Mayfield. She had been ill since last Monday of pneumonia. The burial took place Sunday morning at Obion church, two miles west of Wingo. Mrs. Byrn was formerly Miss Brookman and was born and reared in the south part of the county. She had for years been a member of the Methodist church and was a good woman who will be greatly missed by many friends. Besides a husband, the deceased leaves four daughters and two sons as follows: Mrs. Dollie Remage of Mayfield, Mrs. Ethel Camp of Murray, Mrs. A. Smith and Mrs. Jennie Hopkins of near Wingo, James Byrn, deputy jailer, and Albert, living at the Byrn home. She also leave a brother.

Mrs. Tom Glass, age 58, died Saturday, April 6, of a lingering illness. She was a highly esteemed christian woman. Those left to mourn her death are Miss Sophia Glass, Mrs. Mary Manick, Mrs. Lewis Smith of Murray, one son and a husband. The burial took place in Antioch cemetery four miles southeast of Farmington on Sunday afternoon.

Miss Ethel Armstrong, daughter of John Armstrong route 4, died last Friday after a lingering illness of consumption. She was a well known and popular young lady. The burial took place in the Bazzell grave yard.

Miss Francis Parker, age about 55 years, died last Saturday afternoon at her home east of town after a long illness. The burial was at Old Salem.

John East, 70 years old, died the past week at his home in Hardin of pneumonia. He formerly lived in the northwest part of this county and was widely known and had many friends. He is survived by two daughters. The burial was in Spring Creek grave yard.

Mrs. Fay Miller died last Friday at her home south of town on the Paris road after a brief illness of pneumonia. She was about 40 years of age and only recently moved to Calloway from Stewart county. She is survived by a husband and children. The burial was at Old Salem.

Miss Norma Chunn, the 14 year old daughter of W. W. Chunn and wife, died the latter part of the past week at the family home in Gibson, Tenn. The remains were brought here for burial.

Will Foster, a well known citizen of near Crossland, fell from the loft in his stock barn last week and sustained injuries from which he died a few hours later. He is survived by a family. The remains were buried in the Oak Grove grave yard.

Mrs. Lizzie Orr, an aged and respected citizen of Henry county who resided with Mrs. Ada Humphreys near Crossland, died the past week of the infirmities incident to age. The body was buried at Oak Grove.

## Farmers Take Notice.

**War Prices.**—If you want to save money in buying your fertilizer, when you see this ad in your paper drop me a card telling me how much you intend to use this spring and I will file it away and when a car comes will phone or write you and let you know when the car is at the depot.

My goods are just the kind I have handled for fifteen years—the Boar Head Brand, one and Tankage filler, and f—os good through your drills.

By handling fertilizer in this way can save storage and drayage, and have it at the place when you get ready for it. My prices are going to be right. Here they are: \$1.10 per hundred for the cheap tobacco grower, and \$1.75 per hundred in 125 pound bags. 10c for empty sacks returned in good shape. Shake them out and don't let them get wet. My company has agreed to pay 10c each for them if I would pay freight and ship them back. You know it is war times and sacks are scarce and high.

I will try to keep fertilizer in the house all the season, but it is hard to do, so take advantage of the car price and you will have it when you get ready for it. Terms will be cash, and fertilizer guaranteed to be just what I have handled for the farmers for years. Don't lay this paper down and forget what you have read in this ad, it means something to you, for it is going to be hard for any of us to keep it in stock if you don't help us by taking it from the cars to your barns. The car situation is bad, and if you want the old reliable Boar Head fertilizer mail me a statement of amount wanted for once. It don't obligate you in any way to take it if you don't need it. I have a fresh car of cement coming at the right price. Take Notice. All parties in-

debted to West & Purdom are requested to come in and settle as Purdom has sold out to West & Son.

## DIG HERDS GONE

World War Wastes Europe's Meat Supply.

American Stock Raisers Co-operate With Food Administration in Conservation Measures.

It is probable that Europe for many years after the war will look to a great extent to America for its meat supply.

Europe's herds are dwindling under war's demands faster than they can be replenished.

When the German armies retired from occupied portions of France and Belgium approximately 1,800,000 head of cattle were appropriated. This addition virtually safeguarded Germany from cattle shortage other nations now suffer.

In England some 2,400,000 acres of grass lands have by compulsory measures been forced into grain production, thus reducing pasturage and hay lands. A declining scale of maximum meat prices for live cattle was ordained in England, as follows: For September, \$17.76 per hundred pounds; October, \$17.28; November and December, \$16.98, and for January, \$14.40. The evident intent of this measure was to drive the best animals into market as soon as possible.

According to official French figures, the cattle of France have decreased to a total of 12,341,000 as compared with 14,807,000 in 1913. Today, due to lack of forage principally, France is producing only one gallon of milk where before the war two and one-half gallons were produced.

Meantime the United States food administration has taken steps to conserve our flocks and herds and to increase their numbers. The stock breeders of this country show a disposition to co-operate with the government in this.

For many years it has been a practice among many of the dairy people of this country to kill male calves at birth and in many instances, the females if not needed to replenish their herds rather than go to the expense of maturing them into veal. The high prices of meat caused the virtual discontinuance of this killing. Another encouraging fact is 75 per cent. of calves killed for veal this year were males.

Somebody has very aptly said that the wars of the world have been won with grease, meaning that bacon and lard have been as essential to success in war as powder, which is true.

The hogs of Europe have been very greatly sacrificed to present day needs. This makes the American burden all the more heavy and makes doubly essential an increased pork production in this nation. In Italy grain is now forbidden to be fed to hogs. In Denmark under a recent order one-fourth of the hogs were ordered to be killed. It is estimated that one-half have now been killed.

## SEIZURE OF HOUSEWIVES' FOOD STOCKS IMPOSSIBLE

The government has never considered any plan of seizing foodstuffs owned by housewives. Nor is there any policy of this kind suggested for the future.

In spite of this fact, the United States food administration has been obliged repeatedly to issue official denials of rumors that the government intends commandeering preserves and canned goods put up in American homes.

These rumors were originated partly by pro-German propagandists and partly by conscienceless grafters, who sought to profit through buying from misinformed housewives.

The year 1918 will see home canning and preserving practiced on greater scale than ever before in the nation's history, officials in Washington believe. And they are assuring all patriotic housewives that foods so saved are theirs, and theirs alone.

## NUTRITIOUS CORN BREAD.

One New York hotel has arranged a thoroughly patriotic corn bread recipe. It combines cornmeal with rye flour, both of which are being consumed in greater quantities this year in order to release wheat flour for the allied nations. This recipe fills a large pan—10 by 24 inches—and contains the following ingredients: One quart milk, four ounces butter, small lard, two ounces light syrup or honey, three eggs, pinch salt, two pounds cornmeal, one pound rye flour and two ounces baking powder.

The butter and syrup are thoroughly mixed. Then add the eggs gradually, pour in the milk, then add the rye flour mixed with the cornmeal and baking powder. Bake in a hot oven.

Valve-in-head Motor

Averages 25 Miles per Gallon Gasoline

**The Lowest Priced Electrically Equipped Automobile in the World**

**THE VALVE-IN-HEAD MOTOR**

In the Chevrolet explodes its gasoline in the piston chamber—and explodes it completely. It develops all the gas power in the fuel as there are no pockets to hold burned gases that weaken the mixture.

In this motor, the explosion occurs right over the piston head—and all the power drives straight against the piston. None is lost in turning a corner from a separate explosion chamber.

The Valve-in-head motor is used by the Government on airplanes and wherever unusual power and reliability are demanded.

For getting about over the farm, running in to town or over to a neighbor's, and for the pleasure of all the family the light, strong-built Chevrolet with this extra powerful, reliable and economical engine, is the car of all cars.

## Obituary.

W. L. Routon, the subject of this brief sketch, was born Sep. 3, 1879, and was called from earthly labor to that rest that remaineth for the people of God, on March 28, 1918, aged 38 years, 6 months and 25 days.

He obeyed the gospel when 16 years of age and became a member of the Church of Christ at Antioch, Graves county. Was married to Miss Mattie Gullede March 30, 1906. Brother Routon was a man of exceptionally good character, strong in likes and dislikes, painstaking to a fault. He arranged all the details of his business, even down to this day's service, before he took his departure. Truly he set his house in order before the final summons came. Like all human beings he was not without faults and peculiarities, yet his qualities were such as not to impair his strict honesty or contravene the rights of others. He was devoted to the church of which he was a faithful member and for many years he was a leader in the song service, and his selection of songs was always appropriate and suited to the services. In this work he will be greatly missed.

He is survived by his devoted wife, mother and one sister, besides a host of relatives and friends to mourn his untimely death. His life was an open book, and the high ideals for which he stood will still live, while he being dead yet speaketh.—R. L. Hart.

## His Worst Foe Is BEHIND Him!

As that American boy goes across "no man's land," he knows what is *before* him. He knew before he sailed. He's trained for it—ready for it—eager for it. He can *fight* the Hun,—that's what he's there for.

But he *can't* fight the slacker at home, who nurses his money; who sits supinely by and sees his country's soldiers slaughtered for lack of military supplies; who prefers greenbacks to glory, dollars to victory.

That soldier's worst foe is behind him—right here in America.

Are you going to *betray* that boy? He's bone of your bone, blood of your blood; he's fighting for *you*—for the peace of your fireside, the chastity of your women, the lives of your children, the honor of your flag! Are you going to *betray* him? That's just what you do, when you withhold the money without which he cannot be furnished the fighting material he needs. You *betray* him

## Buy Bonds of the Third Liberty Loan

It is seldom one can help a great cause without personal sacrifice. But you can. These bonds are the safest, best investment in the World. Security? Why they are a first mortgage upon the United States. Every railroad in the country, every homestead, farm or public building, every industry, every income or salary, everything we own—everything *you* own—is pledged as collateral.

If you can't pay cash for your bonds, you can borrow a part of the money at your bank, using the bonds as security; or, you can buy them at your bank on easy partial payment plan. It is no trouble to buy Liberty Bonds—it is no trouble to pay for them. See your banker today.

# GOING AT AUCTION!

**Saturday, April 27, 1918,**  
**It Being Saturday Week,**

**The West Kentucky Real Estate Exchange**

Will offer for sale and sell to the highest and best bidder the  
***R.C. Whitnell Tract of Land, Consisting of 160 Acres,***

one-half mile south of the city limits and just three fourths mile from the city high school. This farm is better known as the O. A. Schroeder farm.

This farm will be divided into eight tracts of twenty acres each, all fronting on the Murray and Hazel road. Let us say to the general public that it is our opinion that this is an opportunity of a lifetime, a chance to buy a small tract of land right at town at your own price and especially to the man who lives in town and wants a few acres close in—this is your chance.

On one of these tracts there is a small house; small stable, extra good well; on another there is a large tobacco barn, shedded all around. About twenty acres in timber, an extra fine spring that affords water the whole year. About one-half of this farm lies in Clarks river bottom and is extra fine land.

There will be no brass band. There will be no "ten's" given away, but there will be a real land sale conducted in a straightforward man to man business like manner. If it is your intention to ever own a home, *now is the time.* Attend this sale and buy you a tract of land, for it will not be twelve months before you can turn it for a profit.

There is a tenant on this farm who expects to cultivate from one-half to three-fourths of it. He furnishes himself and gives one-half of the crop. This will be turned over to the purchaser.

**If you are interested come in and we will be glad to go out with you and you can look the situation over any time before the day of sale.**

Terms of sale will be one-fourth cash, balance one, two and three years' time with notes against the land bearing six per cent interest until paid.

**REMEMBER THE TIME IS SATURDAY, APRIL 27th, Beginning Strictly at 3 O'Clock, New Time, ON THE GROUND**  
**ATTEND THIS SALE : : BUY YOU A HOME**
